What's New In?

Are you intending to travel over a long distance, or perhaps have to travel over a significant period of time? Carcassonne, for example, takes a number of hours. Is there a problem at the moment with your driving? Check that the roof of your car is secure. If there are any drinks, sweets or jellies inside, check that there aren't any crevices that they could fall out of and that you aren't going to be distracted. If you are taking children, keep your camera near you to be ready to capture the view. If they are noisy, however, keep the radio on so you don't have to listen to them. Travelling with a dog can be a nightmare at times. There is so much paraphernalia that they need and keeping it secure can become stressful. Put a small music system on your dashboard or keep a pair of headphones in the glove compartment, so the children can listen to music or talk to their friends without causing problems. Q: iOS - [NSMutableArray insertObject:atIndex:]: incompatible data types in object 0x10d7dfc0 I have been struggling with this error for the past few days.
