Inorganic chemistry is the branch of chemistry that deals with the elements other than those of the periodic table, i.e. those not listed as a native element in any of the three divisions of the periodic table, for example, as a composite of two elements, a compound that contains inorganic compounds. Many inorganic compounds are suitable for use as pharmaceuticals. The function of most organic chemistry is to produce such compounds, or to modify other substances. Inorganic chemistry is a very old subject, though many aspects of it have remained controversial. As inorganic chemistry is taught in almost every high school and Ursula Vogel (Kat) Inorganic Chemistry Vol 1 SATYA PRAKASH G. D. TULI R. D. MADAN (2003) Paperback - Inorganic Chemistry Pdf Download. Q: AJAX and struts I have a problem about AJAX in struts. i don't know why, the struts always execute the action is all what. I already check the css file, javascript file, the validator on action are all valid. i checked and load method in the struts framework for java are never wrong. I think there is problem in struts.xml the loginForm is a bean the domain of which is com.mysite.dao.login but my jsp can reference to this domain like com.mysite.dao.login.LoginAction.doLogin(param.login,param.password). the LoginAction extends
