## **QUEST HEROES Slime Edition CD-Key !!EXCLUSIVE!!**

Dragon Quest Heroes: Rocket Slime is based in the fictional world of Slimenia, specifically in the capital city of Boingburg. It begins with four Slimes, Rocket, Hooly, Bo, and Swotsy, who are playing in front of the castle. The four of them later get their hands on a flute, and in response to the flute being blown by Rocket, his father Big Daddy comes running over, forcing Hooly to stick the flute in Rocket's mouth.

Afterwards, an organization known as the Plob invades Boingburg, capturing 100 of its 101 inhabitants. Because he was distorted and long, the Plob mistakenly believed he was not a Slime, and discarded him in a nearby wooded area. At this point, Rocket begins his quest to rescue all 100 Slimes, who have been locked up in large treasure chests. Rocket later happens upon a large tank called the Schleiman Tank, which he activates with the flute that he had acquired. This tank now allows him to battle other tanks employed by the Plob. He also must do battle with many other enemies,

including the leader, Don Clawleone, and an evil Slime named Slival. Dragon Quest Heroes: Rocket Slime is based in the fictional world of Slimenia, specifically in the capital city of Boingburg.
